PROBLEM STATEMENTS

I am	I'm trying to	But	Because	Which makes me feel
Buyer	buy outfits based on my interests on a website	i am unable to differentiate the outfits which has stock and no stock	Everything is mixed	Irritated
Buyer	search for a trendy outfit for a party	There is no new collections	The collections are not updated	Sad
Buyer	search for a trendy outfit for a party	i was not able to pick an outfit that suits me well	No filter,sort and chatbots options available	Sad

Problem Statement (PS)	I am	I'm trying to	But	Because	Which makes me feel
PS-1	Buyer	Buy outfits based on my interest on a website	I am unable to differentiate the outfits which have stock and no stock	Everything is mixed.	Irritate
PS-2	Buyer	Search for a trendy outfit for a party	There are no new collections	The collections are not updated	sad
PS-3	Buyer	Search for a trendy outfit for a party	I was not able to pick an outfit that suits me	No filter, sort or chatbot options are available	worried
